## Experience

### **Hedge Accounting Consultant, Chatham Financial**

*April 2015 to Present*

- Increased knowledge of derivatives markets
- Performed hedge accounting for various clients including TOMS Shoes, Academy Sports, and 17 others.

### **Assurance Staff II, Ernst & Young LLP**

*September 2013 to April 2015*

- Focused experience in residential construction and health care industries.
- Acted as senior on large public company audit prior to formal promotion
- Increased finance and accounting knowledge through creative problem solving and technical research.
- Discovered \$7.2M in unrecorded liabilities due to glitch in a client's AP system.
- Found \$135.8M in current debt improperly classified by an audit client as long-term per ASC 470 guidance on classification of debt with embedded put options that are offset by a related standby purchase agreement.
- Instrumental in assisting a client in identifying credit-side entries for over \$30M in unrecorded cash.

### **Williamson Turf Maintenance LLC**

*April 2012 to August 2013*

- Started company in April of 2012.
- Monthly net income of over \$4500 within four months with three employees.
- Developed complex accounting and data system to track relevant costs while simultaneously automating much of the day-to-day management activities.
- Used simple web creation tool to develop website, *tulsaturfpro.com*
- Integrated accounting, finance, operational, and customer service systems to achieve high efficiency despite lack of business size.
- Sold company for \$45k, less than two years from inception with less than \$7k of capital invested.

### **Audit Intern, Grant Thornton**

*June to September 2012*

- Worked extensively on Energy Transfer Partners' second quarter review.
- Began to learn the role of the auditor first hand.
- Excellent introduction to public accounting.
- Received offer of employment at Tulsa office, but ultimately decided to move to Denver.

### **Southern Hills Country Club**

*February 2011 to September 2012*

- Served extremely high-end clientele.
- Expanded knowledge of fine dining, including food and wine pairing.
- Experience in high pressure, fast-paced environment wherein attention to detail was paramount.

## Education

### **Oral Roberts University, Tulsa, OK**

- Graduated Summa Cum Laude in May of 2013
- Obtained Bachelor of Science Degree in Accounting
- Cumulative GPA: 3.90
- Worked 20-30 hours weekly throughout college
- Thirty credit hours of finance and accounting courses

### **Baylor University, Waco, TX.**

Pursued finance degree prior to transfer to ORU.
